

## **Positions Available**

The Pakistan Institute of Development Economics (PIDE) is looking for bright and motivated researchers for various positions. Interested candidates may send their curriculum vitae to the Registrar, PIDE, by email at: [registrar@pide.org.pk](mailto:registrar@pide.org.pk) or by post at the address: Pakistan Institute Development Economics, QAU Campus, P. O. Box 1091, Islamabad.

The available positions and their minimum requirements are as follows:

### **1. Chief of Research (BPS-20)**

- (i) A PhD degree from a recognized university in economics and related social sciences.
- (ii) The candidate must have at least completed five productive years in BPS-19 (or equivalent) before becoming eligible for appointment in BPS-20. Five productive years mean that the candidate has published at least five papers in internationally reputed journals. A book of high professional merit may also be taken into account in determining the merit of the candidate.
- (iii) He/she should have a minimum research experience of 10 years in a recognized research/academic institution. This period includes a maximum of four years spent on acquiring the PhD degree. Maximum one year relaxation can be given in outstanding cases.
- (iv) The opinion of three experts will be sought to evaluate the merits of his/her candidacy.

### **2. Senior Research Economist/Demographer/Anthropologist (BPS-19)**

- (i) A PhD from a recognized/accredited institution in the relevant field, no experience or publications are necessary.
- (ii) Without a PhD, the candidate must have:
  - a. An MA/MSc (18 years education)/All but Dissertation (ABD) status from a foreign university OR an MPhil from a national HEC recognized university.
  - b. Six years of relevant experience post the minimum required educational criteria.
  - c. As the publication requirement, a candidate must have published at least two papers in internationally reputed journals.
- (iii) Excellent written and communication skills to be judged through the Institute's selection process.

### **3. Research Economist/Demographer/Anthropologist (BPS-18)**

A candidate must possess at least MA/MSc degree (18 years education)/ABD status from a recognized foreign university OR an MPhil from a national HEC recognized university in the relevant field.

### **4. Staff Economist/Demographer/Anthropologist (BPS-17)**

The candidate should be at least MA/MSc 2<sup>nd</sup> Class (16 years education) in the relevant field.
