PhD and MPhil Student Fellowships

Applications are invited from PhD and MPhil students of PIDE for Student Fellowships in the project entitled "Climate Change, Agriculture, and Food Security in Pakistan: Adaptation Options and Strategies" sponsored by the International Development Research Centre (IDRC), Canada.

The Scholars must have completed his/her course work, and qualified comprehensive exam in case of PhD Student Fellowship. They must be willing to work on topics related to the project and under the supervision of the members of project team. Preference shall be given to the candidates having strong background in economic theory, econometrics and with a knowledge of agriculture and climate change related issues.

For an MPhil Student Fellowship, a stipend of Rs.15000/month starting from March 01, 2013 for maximum of 12 months will be provided. A stipend for a PhD Student Fellowship will be Rs.20000/month starting from June 01, 2013 for a maximum period of one and half year (1½ years). The Fellows shall be required to work at least 16 hours a week for the project in addition to their thesis research.

Applications are required on plain paper along with two page research proposal, detail CV and copies of academic transcripts (BS, MS/MPhil and PhD).

The last date for the submission of applications (addressed to Dr. Munir Ahmad, Project Leader) is **30th January 2013**.

For details regarding the project see the PIDE website (www.pide.org.pk)
