

Specialization in 'Strategy and Management' side of the Business Administration coupled with diversified educational background make me au fait of adding value to a Business School. Moreover, strictly time-bound multi tasked experience in a challenging international academic environment has prepared me to become a part of the team that is coaching and preparing future business leaders.

Educational Qualification	<ul style="list-style-type: none"> - First class MS in International Business Strategy & Management from University of Paris Sud, France. <p>University of Paris Sud is ranked among top 100 Universities worldwide. Please See: http://www.telegraph.co.uk/education/universityeducation/9584034/Top-200-world-universities-THE-rankings.html Also See: http://www.u-psud.fr/en/index.html</p> <p>Master's Thesis: Growth focused strategies of Multinational companies (MNCs) have brought them face to face with varied challenges in institutionally complex host countries' environments. This study focuses on activism of NGOs directed against MNCs. This highly appreciated study suggests that in institutionally developed countries MNCs have to face stiff activism of advocacy NGOs. It concludes that NGOs activism against MNEs is directly related to the institutional development of the host country. Pakistan was one of the 80 countries included in the sample.</p> <p>Courses in MS: Human Resource Management in international context, Venture Capital, Intercultural Management, Management & Strategy of internationalization , Methods for Consulting, Knowledge Management, Research Methodology, Business English, Epistemology of Research, History of Research, Policies and Practices of HR, Business Game, Challenge Strategy and Business Intelligence.</p> <ul style="list-style-type: none"> - Baccalaureate in Education Management (B.Ed.) from Hazara University with distinction (Secured 4th position in the Province). - Master in English from University of Peshawar. - Baccalaureate in English from University of Peshawar. - Intermediate in Science from Army Burn Hall College Abbottabad (with distinction).
