

# INTERNSHIP AVAILABLE

## Climate Change, Agriculture and Food Security in Pakistan: Adaptation Options and Strategies

PIDE is seeking applications for student internship (01 position) in the PIDE project entitled “Climate Change, Agriculture, and Food Security in Pakistan: Adaptation Options and Strategies” sponsored by the International Development Research Centre (IDRC), Canada. The position is purely on contract basis for two (02) months against which a stipend of Rs. 10,000 /month shall be paid.

M.Phil. students registered in PIDE and have completed their course work are encouraged to apply. The selected candidate will be assisting the core team in undertaking the studies using primary data. Preference shall be given to the candidates who have strong background in data analysis. The candidate must have basic understanding of agriculture and climate nexus. Essentially the candidates must have proven experience of household data handling on STATA/SPSS. Only short-listed candidates shall be called for interview.

Applications, on plain paper, including detailed CV and copies of academic degrees and transcripts should reach the following address within 15 days of the advertisement.

Dr. Munir Ahmad

Project Leader

Pakistan Institute of Development Economics
