

Workshop on
REVISITING TEST CONSTRUCTION: A STEP TOWARD QUALITY ENHANCEMENT

Quality Enhancement Cell (QEC), Pakistan Institute of Development Economics (PIDE) has arranged a one day workshop for the PIDE's Test/Admission Committee member on September 14, 2017. The title of the workshop was **Revisiting Test Construction: A Step Toward Quality Enhancement**".

Dr. Aziz Ali Najam, Provost, National University of Medical Sciences (NUMS), Islamabad was the resource person who introduced the participants to Bloom's Taxonomy. He also told them about steps taken while preparing test for students. The Workshop was appreciated by the faculty members that it was very motivative, interactive, perceptive and will be useful in future while constructing test for students.
